

# THEME & VARIATIONS

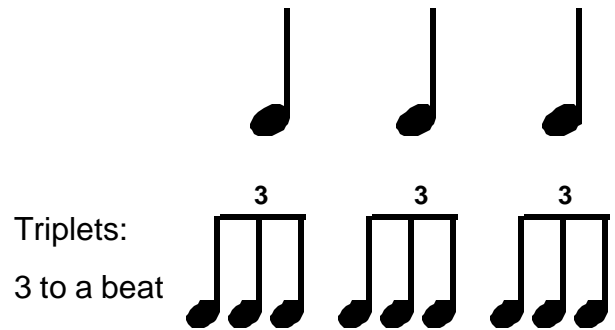

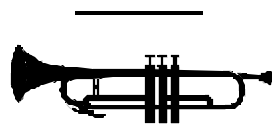

What is the “theme” of this group of pictures? How are they “variations”?

Draw your own variation of a star below:

**True or False?** In music, the same tune with different words is theme and variation.

**Name some ways you can vary a tune.**

Write the names of the instruments heard in the show, pictured below:

**Match the word to its description:**

- |          |                                  |
|----------|----------------------------------|
| fireball | another word for a shooting star |
| nova     | like a meteor but bigger         |
| meteor   | made of ice & dust               |
| comet    | gas and dust that becomes a star |
