

TIMBRE 3: SCAVENGER HUNT!

Timbre is a French word which means:

- A. what you shout before a tree falls
- B. how something sounds, the tone color
- C. a musical frequency

Sound is made by vibrations that push the air, called:

- A. sound styles
- B. sound scapes
- C. sound waves

Help Jollip and the gang with their Timbre Scavenger Hunt!

Keep track of how many different timbres they found, and write as many names of different timbres as you can in each category. Use the back of your sheet if you need more room!
