

# Melody

Jollip

## Europe

What is the smallest number of notes that make a **melody**? \_\_\_\_\_

### Draw a line from the word to its definition:

- Interval      a musical "sentence"
- Mood          the space between two musical notes
- Phrase        the feeling created by a piece of music

### Put an X next to three things that make a melody:

- \_\_\_ chords
- \_\_\_ notes
- \_\_\_ chocolate
- \_\_\_ rhythm
- \_\_\_ mood

### Which one is a melody?
