

**REMEMBER:** *you can create your own music out of nearly anything!*

This is a “key chime” some students made with wood, wire, thread, and some old keys.

**START** °

**3 END**

Can you find your way through the “Junk Yard of Found Instruments?”

Draw an instrument in the box and call it the “Jolliphone.” What would a monster musical instrument sound like? Would it be big or little? Would it be round or square?
