

THE GUITAR FAMILY

REMEMBER: There are many different instruments in the guitar family.

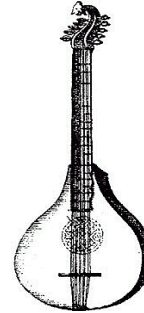

the **BIG** Theorbo

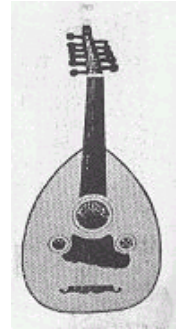

the little charango

Lute

Cittern

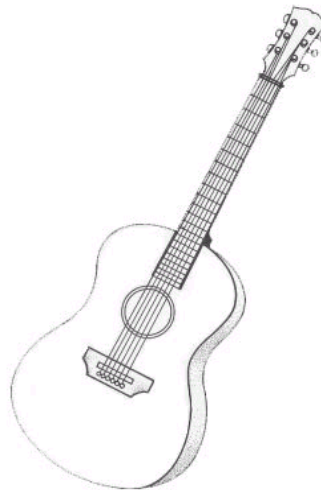

Dutar

Electric Guitar

This is an acoustic guitar.

See how many parts of the guitar you can label by drawing a line to the picture:

- neck (*long and thin*)
- fingerboard (*where your left hand goes*)
- strings (*can you count them?*)
- tuning pegs (*3 on each side*)
- frets (*look on the fingerboard*)
- bridge (*below the sound hole*)
- sound hole (*it's round!*)

EXTRA CREDIT: NOTE READING SKILLS

This is how you draw a treble clef. Can you draw one?
