

# RHYTHM II

Music has rhythm, but so do many other things: crickets chirping, clocks ticking . . .  
Can you name three other non-musical things that have rhythm?

1. \_\_\_\_\_ 2. \_\_\_\_\_ 3. \_\_\_\_\_

**REMEMBER: Rhythm is made up of BEAT + TEMPO + METER**

### MULTIPLE CHOICE:

- Tempo is the Italian word for:            temper            time            table            tuba
- Musical tempo can be:            slow or fast            hot or cold            dry or wet
- Beat is:            the pulse of music            the way to play drums            a new game
- Meter is:            a place to park a car            grouping beats in 2s or 3s            heartbeats

### RHYTHM WORD SEARCH:

How many of these words can you find?

- beat, bells, claves, cymbal, drumset, kettle, marimba, meter, percussion, rhythm, shaker, snare, tempo, tomtom, triangle

```

Do you think you would like to play a percussion instrument?

Which one? \_\_\_\_\_

Why? \_\_\_\_\_
