Which picture represents the string family? Write “string” under the picture. Which instrument represents the brass family? The vocal, or choral family? The percussion family?

When you mix many different kinds of musical timbre together, you get a:

- A. lot of noise                      B. symphony orchestra                      C. monster mash

Can you think of some non-musical noises that have a different timbre? How about the sound of an airplane? How about the sound of rain falling on a roof?

Can you name 3 more? \_\_\_\_\_
