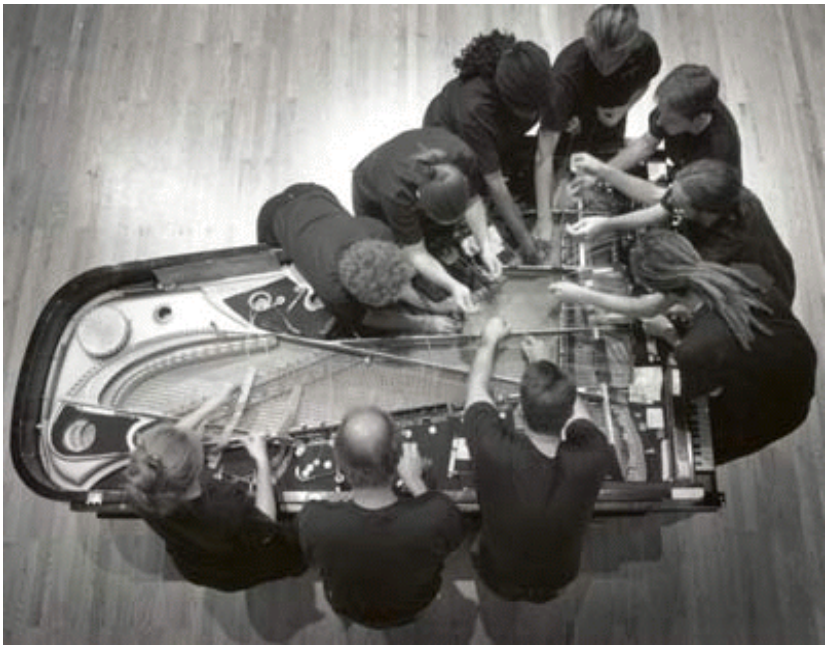
Program 3-024 Bowed Piano

Grades 2-3

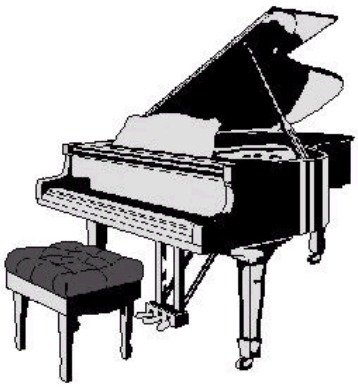
BOWED PIANO ENSEMBLE

Remember: *Musical sounds are limited only by a performer's imagination.*

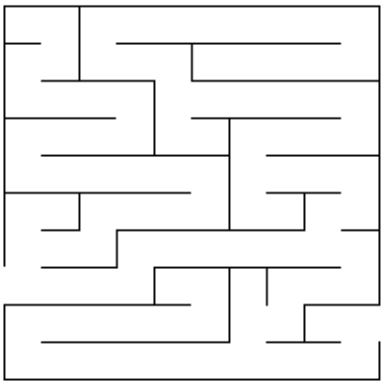


Wow! This is a big picture, but we wanted you to be able to see "inside" the Bowed Piano Ensemble's instrument. The keyboard is to the right of the picture, and the lid, or top of the piano, has been removed.

Here's a picture of a grand piano that still has its lid in place.



Travel through the "Maze of Sound" created by the Bowed Piano by starting here – >



– > You made it!!

Did you like the sound of the Bowed Piano Ensemble? _____

EXTRA CREDIT: NOTE READING SKILLS

Volume is an important part of music. We call the louds and softs in music Dynamics.

= piano, or soft *Draw 3 piano or soft symbols:*

= forte, or loud *Draw 3 forte or loud symbols:*

This program made possible by the generous support of the City of Albuquerque Urban Enhancement Trust Fund.
