

**Remember:** *Musical sounds are limited only by a performer's imagination.*

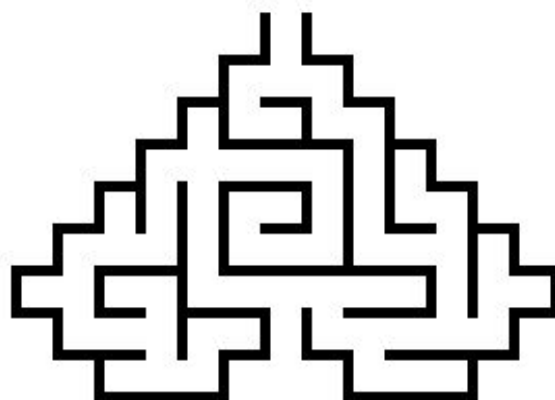

**Wow!** This is a big picture, but we wanted you to be able to see “inside” the Bowed Piano Ensemble’s instrument. The keyboard is to the right of the picture, and the lid, or top of the piano, has been removed.

Here’s a picture of a grand piano that still has its lid in place.

**Travel through the “Maze of Sound” created by the the Bowed Piano by starting here:**

**Did you like the sound of the Bowed Piano Ensemble?** \_\_\_\_\_
