Edvard Grieg (1843-1907)

????
Viking Composer

Grieg and Sibelius were two important modern composers. Long ago Vikings lived in Scandinavia; they told all of their stories through songs they made up. Using the Viking helmet, add a face and make your own Viking composer. The Viking could be you, a friend, or even Jollip!

Scandinavia is in the northern part of Europe, so far north that the sun shines all night in the summer. Sometimes they call it the Land of the Midnight Sun.
